

# INSTITUTE OF PATHOLOGY

## Diagnostic

Histopathology  
Immunohistochemistry  
Cytology  
Electron Microscopy  
Flow Cytometry  
CLSM

## Microbiology

Chlamydia  
Leishmaniasis

## Molecular Research

Genetics  
Genomics  
Proteomics

## Immunology

Flowcytometry  
Immunogenetics

## Biochemistry

Environmental  
Toxicology

## Animal House

Experimental  
Pathology

## Cell Culture

Epidermal Culture  
Tumor cells/cell lines  
Hybridoma  
Parasite Culture  
Stem cells

## Computer Facility

Maintenance of Website  
Local Area Networking  
Preparation & Publication  
of Annual Report,  
Highlights, etc.  
Automated System for  
preparation of salary &  
Income Tax  
Providing regular  
operational services for  
computers

## Library

Books: 4400  
National Jr. : 14  
International Jr. print :21  
Online Jrs. : 58  
Library Automation  
Software Alice (Softlink)  
Library Consortia – ICMR  
consortia  
NMLERMED, JCCC-  
ICMR  
Publications: 1972-2009
