

CITIZEN CHARTER

This charter seeks to provide a framework which enables our users to know:

- The mandate of the Institute,
- The services being provided to patients, both directly and for referred cases
- The means through which complaints regarding poor quality of service will be redressed.

Location

National Institute of Pathology is located in the Safdarjung Hospital Campus, in front of AIIMS Hospital at the crossing of Ring Road and Aurobindo Marg. Main entrance is on Ring Road.

Number of Scientists and staff

There are 6 Pathologists, 10 Basic Scientists and 75 technical and administrative staff.

There are 32 temporary/tenure staff.

Standards of Service:

National Institute of Pathology is primarily a research Institute which also provides both routine and specialized diagnostic services in cases requiring ancillary techniques such as Histochemistry, Immunohistochemistry/Immunofluorescence, Electron Microscopy and Flow Cytometry. Specialised diagnostic services are offered for Dermatopathology, Neuropathology, Nephropathology, Hematolymphoid malignancies (Lymphomas/Leukemias) and Tumour markers.
